Pouring at Vines & Vinyl: your licence

Runabout · Saturday 24 April 2027 · Eltham Community & Reception Centre

To pour and sell wine at Vines & Vinyl, your producer's licence needs a **promotional event authorisation** on it. It's the same permission you use for a farmers' market or wine festival. If you already pour at those, you have it.

What to do

1. **Check your licence** for a promotional event authorisation. Not sure? Ring Liquor Control Victoria on 1300 182 457.
2. **Got it?** Send us a copy of your licence through the maker details form. That's all.
3. **Haven't got it?** Apply to Liquor Control Victoria using the variation of conditions form, option 8. It costs $172.70 and takes 9 to 11 weeks, so **apply now, or before Christmas at the latest**. Then send us a copy once it's approved.
4. **On the day,** bring your licence and your RSA. Anyone pouring needs a current RSA.

Good to know

- The authorisation is permanent. Once it's on your licence, you can pour at any market or festival.
- We'll email you a one-line consent letter for your event register.
- We pass a copy of your licence to the venue the week before. You don't need to contact them.
- The event runs under Runabout's own licence. Your sales are yours.
